

THIS HOUSE SHALL BE A HOUSE OF PRAYER

PRAYER AND FASTING AGENDA
FOR
THE CITY OF ZION, THE MT. ZION CHURCH

Prayer Focus

"You shall know the truth, and the truth shall make you free. As we go through this life, we need to recognize the Truth in order to see clearly, so that we can understand what is truly happening and why.

True revelation can only come through those who have a relationship with God through Jesus Christ.

The truth will not only reveal new aspects about God, but He will also open up new insights, wisdom, and revelations about life self and others around us and the way we perceive.

Things will change because the touch of the creator changes all who choose Him. This will happen because we are begin transformed into His likeness. In this season of prayer and fasting He will reveal that our true need is to come to Him and embrace Him, and al He has for us.

God works through the prayers of His people. Humans were forever to be God's link to authority and activity on the earth. God chose, from the time of Creation, to work on the earth through humans, not independent of them. He always has, and always will, even at the cost of becoming one. Though God is Sovereign and all powerful, Scriptures tell us that He limited Himself, concerning the affairs of earth, to working through humans beings.

God needs our prayers.

I am the way, the Truth, and the Life: no man cometh unto the Father, but by me." (John 14:6)
