

Simple Scripture Study Starter

- 1. Read Pastor's/Minister's previous scripture passage entirely- make notes on names, places and descriptions in passage.*
- 2. Read pre-text (before text) and post-text (after text).*
- 3. Note words that are unfamiliar, unknown- get biblical definition.*
- 4. Pray for understanding (comprehension), knowledge (information), inspiration and application.*
- 5. Reread text and context together. Note: What scripture says, who is it saying it to, what does it say to me, how can I apply it to my life, who are the principle characters in the passage.*
- 6. Celebrate the wisdom, knowledge and understanding acquired.*
